Welcome to all present &  
We will open w Prayer by:

By way of explanation -  
About mid-December I was studying  
about the old Heber Fort, the first LDS  
Branch: Chapel & school in that Fort.  
Then the formation of an LDS ward - a  
singeward for the whole valley in 1860.  
About that time Roy & Lucille Todd  
showed me a letter from Brigham Young  
& Heber C Kimball appointing Joseph  
Stacey Murdock as the first Bishop  
in this valley.

Further study about Heber C Kimball  
and his inspiration to this early band  
of English Converts who knew him  
in England; gave them the idea to  
name their new city after Heber C. Kimball.  
as I studied further, I found very  
little written record of this man in  
our valley.

Knowing that Heber City is Heber C  
Kimball's name - sake it seemed  
logical that we should have a  
memorial to him.

This was suggested to the  
SUP directors in Jan. 1986 & they  
adopted this as a project to place  
a memorial on the Tabernacle  
grounds -

on 1-19-86 our new Mayor  
announced Heber City's intention  
to put the Tabernacle to good use  
by building office space in it for  
Heber City.

It is always amazing how good things  
fall together on occasion for the best.

To wit we are especially blessed to

have Bro Jim Kimball here to speak

to us. He works in the Church office

building in Stou & is especially

interested in Muses Allen's Restoration

activities; but also an authority on Kumballe

Ar Koley Kimball said the Kimball

family has done a wonderful job of

restoring the early 1800's John C Kimball

home in Nauvoo.
